the **problem** the **solution** the **hero**

Every lizard has his day, and every day has it's problems. Let's say you need 2000 letterheads, 10,000 direct mail pieces and 300 full-color note cards. Some printers can handle the high quantities and some can handle the low, but what if you need someone who can do both?

Phillips Printing offers both commercial offset printing and small-run digital printing. And, not only can we handle your 10,000 direct mail pieces, we can design and mail them for you too. We've been in the printing business for a long time so you know you can count on us when it matters. When your business has a problem, Phillips can be the solution... and you can be the hero (no need to change clothes).
